# Izaz Khattak

Full Stack Web Developer

## WORK EXPERIENCE

Software Developer

2023 - Present

### NASTP Alpha Techno Square, Rawalpindi

As a web developer at NASTP, I have had the opportunity to contribute to a variety of exciting projects aimed at advancing scientific and technological innovation. My role involves collaborating closely with cross-functional teams to design, develop, and maintain cutting-edge web applications that support the park's mission.

Front-End Developer

2022- 2023

### GO Network Pvt Ltd.

Collaborating closely with UX/UI designers to translate design mockups into pixel-perfect, standards-compliant code using HTML, CSS, and JavaScript . Implementing and maintaining front-end architecture, optimizing for performance and scalability to meet the evolving needs of the business.

Social Media Manager

2020 - 2022

### Metaverse Deviser

As a Social Media Manager at Metaverse Deviser, I have been entrusted with the exciting task of shaping and amplifying our presence in the ever-evolving metaverse and virtual reality landscape. My role involves orchestrating our social media strategy, creating engaging content, and fostering meaningful connections with our community.

Video Editor

2021- 2023

### Freelancing

I have had the privilege of contributing to a wide range of creative projects that showcase the company's commitment to producing high-quality video content. My role involves transforming raw footage into captivating visual stories, aligning with our clients' visions and objectives.
